

STICKERCLUB

THE COOLEST
STICKERS

Hi

I hereby officially invite you to join the awesome Stickerclub, the most exiting club for cool kids! The club is very surprising: you only send 1 sheet of stickers to 1 person, but will receive up to 36 sheets of stickers in return!!!!

Ok, how does the Stickerclub work?

1. Send 1 sheet of stickers to **person 1** on the bottom of the received letter.
(You can skip this step if you didn't receive a letter but just want to start your own Stickerclub)
TIP: make it personal by adding a nice drawing or letter.
2. Go to **www.top10baas.nl/SC-EN** (or scan the QR-code on the right bottom). Here's where you'll find the Stickerclub invitation letter. Print this letter 6 times.
3. Send this letter to 6 of your friends. Write my name and address at **Person 1** and write your own name at **person 2**. There's a personal area to write a nice message to your 6 friends, extra fun for the one receiving your letter.
*(Starting your own Stickerclub? Write your name and address at **person 1** and **person 2**)*
4. Here's where it gets exiting: keep an eye on your mailbox! In the coming weeks you will receive up to **36 sheets of stickers**, awesome!

Are you joining? I'm looking forward to it!

Best wishes from:

For the parents: receiving letters and opening mail from somebody you might not even know is very exciting for kids! Kids learn to give before receiving. You don't have to send the letters by mail, you also just drop them off at the 6 chosen friends!
